7. Update on Middle River Properties: Scott had the lawyer look at the easement contract for the Sladky Trust properties, they are looking for a 20-foot access. There was a slight issue with the legal description that is being corrected. We will need to call a special meeting of the electors regarding the disbursement/access of Town of Lakeside property. It was decided that we would have this meeting at 6 pm before the regularly scheduled board meeting on June 9th. We need to make sure the Town is protected in case of future changes.
8. Correspondence:
 - a) The Town received a letter from a resident on Middle River road, it was handed to the board to be addressed at a future meeting.
 - b) Scott was also contacted about the recycling being contaminated due to "other" things being dumped in the recycling. The board will have to address how to handle this in the future.

Motion to adjourn made by Jon, seconded by Mary, carried 7:19 pm.

The next meeting will be held on Tuesday June 9th, 2020.

Location: Town Hall,
Collection Site, online
