6. Douglas County Ordinance: Discussed the ordinance, needs to be to the County by 12/15. All the board members had a chance to review, will not make it to the County Board till the first part of the year. Mainly has to do with campgrounds, deer farms and feed lots. Mentioned that townships should have the right to regulate their own land usage, changed when the county took over zoning. Companies are looking for places for their workers to park their campers to continue working. Another township tried to increase their camping spaces but that created problems with the roads and driveways. The agricultural portion resembles what was decided in Bayfield County. Gerald motioned to approve the resolution to update Zoning ordinance 8.0, Mary seconded, 3yes, 0 no, carried 6:19 pm.

The board wanted to "Thank" Mark for putting in the long hours after we finally got the grader to get the roads graded.

Motion to adjourn made by Gerald, seconded by Mary, adjourned 6:21 pm.

January will be a regular meeting. The dump is **closed** on 12/25 and 1/1 for the holiday and will be **open Wednesday** 12/29 from 9am-7pm.
